EXPERIENCE

The Local Guy, Salt Lake City, UT - AV Technician

May 2022 - November 2023

- Collaborated with a partner to manage all aspects of low voltage wiring projects, including bidding, planning, ordering, scheduling, and implementation.
- Installed network infrastructure, including installing and configuring Ubiquiti Wi-Fi networks.

IKEA, Draper, UT - Shopkeeper

June 2021 - May 2022

- Directed a team of 5 direct reports while overseeing daily operations of 15-20 individuals across various tasks.
- Developed and implemented processes for the efficient transportation of large volumes of merchandise throughout the store.
- Monitored and analyzed sales performance, making strategic merchandising decisions based on sales projections and product placement.
- Awarded Leader of the Tertial in January 2022.

IKEA, Draper, UT - Goods Flow Team Leader

December 2020 - June 2021

- Led a team of direct reports and managed daily operations for 12-15 staff members responsible for replenishment duties.
- Ensured timely completion of tasks within strict deadlines, consistently meeting a 10 AM cutoff for daily operations.

- Developed and implemented strategies to enhance the efficiency and accuracy of logistical operations.

The Local Guy, Salt Lake City, UT - Office Manager

March 2020 - December 2020

- Oversaw accurate receipt and organization of inventory by client and order to maximize efficiency.
- Coordinated all scheduling, ordering, and accounts receivable tasks

At Home - The Home Decor Superstore, West Jordan, UT - Freight Flow Specialist

March 2019 - March 2020

- Led a team in manually unloading 2-3 trucks per week and maintaining inventory accuracy and proper handling of damaged materials.
- Responsible for communicating freight status daily with district management.
- Recognized as Employee of the Month in February 2020.

Shopko, West Valley City, UT - General Merchandise Manager

October 2017 - March 2019

- Managed a team of 20-25 direct reports to maintain company performance standards.
- Administrative and payroll duties for 40-50 employees.
- Consistently met department sales goals and achieved 100% stockroom accuracy, the only store in the district to do so.
- Chosen by the district manager to represent the region in a flagship store reset.

Shopko, West Jordan, UT - Presentation Supervisor

September 2016 - October 2017

- Worked independently to manage and maintain merchandise presentation on the general merchandise side of the store and led a team of 3-4 on larger resets.
- Consistently 100% complete by end of week on required planograms and resets.

Shopko, Salt Lake City, UT - Freight Process Supervisor

May 2013 - September 2016

- Led a team of 4-5 to efficiently and accurately process 2-3 trucks per week.
- Oversaw data integrity evaluations to ensure accurate and reliable information.
